

## **Journey's End Cast List** (in alphabetical order)

Thank you all SO much for your hard work, patience, and flexibility this week during auditions and callbacks. This was an *incredibly* hard show to cast – we were so impressed by all of the talent, preparation, and energy you demonstrated throughout the process.

**If you were not cast, please submit a crew application by Wednesday October 1<sup>st</sup>.**  
We encourage you to participate in and audition for future shows! Not being cast doesn't mean you're a bad actor, only that this show might not have been the right 'fit'.
